Sub-standard construction material used in Mayur Vihar flats

1876. SHRI VIREN J. SHAH:
SHRI PRAMOD MAHAJAN

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Delhi Development Authority has decided to raze 265 Flats in Mayur Vihar, Phase-I which were found to have been built of sub-standard construction material;

(b) if so, what are the details of DDA flats found defective or of sub-standard construction in other areas/ colonies in Delhi during each of the last three years:

(c) when were these flats constructed and at what cost; and what are the names of the contractors responsible for the construction of these flats;

(d) whether any enquiry has been conducted into the matter; if so, the results of the enquiry and action taken against the contractors and DDA officials found responsible:

(e) the steps taken to recover the cost of construction together with the penalty from persons responsible for the use of sub-standard material;

(f) the cost of each of these flats, when were the payments made to Delhi Development Authority by the allottees of these flats;

(g) whether DDA propose to make alternative allotment to the allottees on the same rate, if not, what are the reasons therefor; and

(h) what compensation with interest Government propose to give to the allottees of these flats?

THE MINISTER OF STATE IN THE THE MINISTRY OF URBAN DEVELOPMENT (SHRI P. K. THUNGON): (a) DDA has reported that 163 flats in Mayur Vihar Phase-I (out of 265 flats) which were at different stages of construction, have been found to be of sub-standard material and it has been decided to demolish them, (b) A decision has been taken to demolish the following flats during the last three years:—

(i) 220 houses (out of 300 houses) in Pocket-V, Mayur Vihar Phase-I;

(ii) 140 EWS houses at Prashant Vihar (Haiderpuri, Sector-14. Rohini),

(c) The information is as under:—

Details of flats	Name of the Contractor	Date of Start of work	Amount paid to Contractor (Rs. in lacs)
(i) 163 houses in Mayur Vihar Ph. I	M/s. Project Engineers & Consultants	1.4.82	57.67
(ii) 220 houses at Pkt.-V Mayur Vihar	M/s. Apex Construction Co.	10.8.92	125.00
(iii) 140 EWS houses at Prashat Vihar	M/s. V.K. Construction Co. (24 units)	in 1977	0.87
	M/s. Net Ram (24 units)	"	0.87
	M/s. Rajiv Construction Co. (92 units)	"	3.33

(d) The action taken against the con tractors and the DDA officials found responsible is as under:—

Details of flats	Action against the contractor	Action against the DDA officials
(i) 163 houses at Mayur Vihar Ph. I	The construction agency has been debarred from further tendering in DDA.	3 Engineers have been removed from service on 7-4-92 and pay of 3 Junior Engineers has been reduced to the minimum of the scale for period of 3 years.
(ii) 220 houses at Pkt. V Mayur Vihar	The construction agency has been debarred from further tendering in DDA.	Action depends upon investigation.
(iii) 140 EWS houses at Prashant Vihar	No action against the contractor has been taken as the work were executed on work order basis.	3 officials have been indicated.

(e) (i) In respect of 163 units at Mayur Vihar Phase-I, the communications sent to the contractors by DDA have been received back undelivered. The matter has, therefore, been reported to the Police. It has also been decided to recover the amount through arbitration as per terms and conditions of contract.

(ii) In respect of 220 houses at Pocket-V Mayur Vihar, it has been decided to effect the recovery of the amount through arbitration as per terms and conditions of the contract.

(iii) For 140 EWs houses at Prashant Vihar, survey report for determining the reserve price has been approved by the competent authority.

(f) The flats in question have not been released for allotment so far- The cost of these flats would he worked out only on their completion.

(g) and (h) The question of making alternative allotments or giving any compensation to the allottees does not arise in view of (f) above.
